

## FISHING REGULATIONS FOR THE KERMANKOSKI – VIHUVUONNE FISHING AREA

- Licence fees: - 24-hour licence €30 - One-week licence (7 days) €150 -Annual licence €250 -Hire of a rowing boat €10 / 24 hours - Group licence €50 / 2 days per angler, with a minimum of 6 anglers
- The fishing area comprises the following sections: Saunavirta, Kermankoski, Kermavirta and Vihovuonne. **Fishing is prohibited on the Kissakoski and Haapakoski Rapids. Fishing from the bridges is also prohibited.**
- Fishing is permitted between 1 December and 31 August; however, **wading and the wearing of waders is strictly forbidden between 1 December and 30 May.**
- **The minimum size for brown trout and landlocked salmon is 60cm, and for grayling, 40cm. Taking of brown trout and landlocked salmon with their adipose fins intact is prohibited; all such fish must always be released back into the water, irrespective of their size.**
- Fishing using a lure or a fly is permitted. When fly fishing, only barbless hooks are allowed. When lure fishing, it is recommended that only one treble hook or three single hooks be used, to avoid damage to the fishes' eyes and other similar damage.
- To prevent the fishing line from snapping, the line diameter should be a minimum of 0.25mm.
- An angler may take only one grayling and one brown trout or landlocked salmon with their adipose fins removed per 24 hour period. Use of the outboard is prohibited when fishing. Anchoring is prohibited when fishing. Otherwise, fishing will take place in accordance with the Fishing Act.
- All anglers are obliged to submit a catch report.
- A breach of the fishing regulations will constitute grounds for cancelling the culprit's fishing licence and ban him or her from purchasing fishing licences on subsequent occasions.
- Do not cause disturbance or damage to the environment, to nature or to other people. Do not leave litter in nature.
